

RYLEAP is an extension program designed to extend and enhance the skills gained at the RYLA camp. This is an intensive program for young people serious about learning cutting edge leadership skills. With fewer participants, a much deeper level of information can be taught. Using technologies such as Neurolinguistic Programming participants will walk away with a heightened sense of self empowerment and a clear pathway to achieve their goals including a 3 month mapped out action plan. They will be provided with the tools to help express themselves with confidence and passion and inspire others.

**Participants completing RYLEAP will receive a Certificate 2 in Leadership! This is a nationally recognised course run in conjunction with South Metropolitan TAFE**

**MID  
JULY 2020**

## Objectives

RYLEAP will assist participants too:

- Delve into the psychology of leaders and apply these skills in their lives
- Develop self management skills through meditation, time management techniques and emotional control skills
- Learn basic business skills such as finance, public speaking, interview techniques and communication skills
- Achieve a Certificate II in Leadership

## Activities

Activities and areas of focus include:

- Advanced communication skills
- Public speaking
- Meditation
- Advanced presentation skills
- Time management
- Basic finance
- Advanced leadership skills
- Controlling emotions
- Advanced goal setting
- Project management

## Costs

Partial sponsorship is available from local Rotary Clubs or employers. Total cost is \$850 with \$600 being available from your sponsor (Rotary Club) and the rest (\$250) covered by you, the participant.

Please note, this is different to RYLA as this is an exclusive course for individuals ready to make the commitment to their development.
